

AQUANITIS

AQUANITIS

(2006)

> view trailer <

After having suffered a stroke, Vinzenz, a hard-working hotel owner, regains consciousness as a new man, suddenly feeling himself strangely attracted to water. This new way of seeing things makes it impossible for him to go back to his former life.

When he, under singular circumstances, meets and falls in love with an aquana, a beautiful water spirit, Vinzenz finally finds true happiness.

At least that is what he believes...
